

## CID Board Director Description

The Downtown St. Louis Community Improvement District's Board of Directors is seeking nominations for Board Director positions. As a member of the CID Board of Directors, Board Directors will take part in the CID's mission of making Downtown cleaner, safer, and better by working to enhance our service areas, voting on large-scale investments, and connecting with property owners, residents, and the business community on Downtown's needs.

The CID Board meetings are bi-monthly and reflective of our fiscal calendar. The following are the scheduled meetings for FY25. While meetings are currently being held virtually, the Board is reviewing the opportunity of hosting one to two in-person Board meetings in the next fiscal year.
